Practice Overview

Wen Jin Teh was called to the Bar in 2020 and became a tenant at Keating Chambers in 2021.

Wen Jin is developing a thriving practice in all of Chambers' main practice areas and is comfortable acting as either sole counsel or as part of a wider team. He has particular experience with large and/or technically complex disputes (both domestic and international).

Recent highlights include acting:

- In a c. £100 million multi-party HKIAC arbitration concerning defects to a post tensioned concrete bridge (led by Philip Boulding KC and Justin Mort KC);
- In a c. £175 million ADCCAC arbitration concerning delays to the construction of an airport in the Middle East (led by Marc Rowlands KC);
- In a c. £1.7 million adjudication concerning the compliance of an animal vaccine manufacturing facility with bio-containment and sterility regulations (led by Harry Smith); and
- In two related ICC arbitrations (totalling c. £500 million) concerning the termination of contracts to design and build deepwater semi-submersible drilling rigs (led by Adam Constable KC).

Having grown up in Singapore, Wen Jin is fluent in Mandarin Chinese and is familiar with the East Asian and Southeast Asian region. He is also a contributor to *Keating on Offshore Construction and Marine Engineering Contracts*.

Practice Areas

Advocacy

- **CCMC (Brighton County Court)** – Appeared for the Defendant employer and successfully obtained permission to amend the Defence, as well as a substantial reduction in the Claimant's consequent costs to amend.
- **Final hearing (ADCCAC Arbitration)** – Appeared for the Claimant subcontractor in a £175 million ADCCAC arbitration in the Middle East (led by Marc Rowlands KC). Cross examined the Defendant's delay expert on his assessment of various delay windows.
- **Application to set aside default judgment (Romford County Court)** – Appeared for the Defendant homeowners in a dispute concerning the impact of construction works to a neighbouring property. Successfully obtained the setting aside of two previous default

judgments, as well as the consolidation of the Claimant's multiple claims into a single set of proceedings.

- **Final hearing (ICC Arbitration)** – Appeared for the Claimant subcontractor in a £15 million ICC arbitration in the Middle East (led by Lucy Garrett KC). Cross examined the Defendant's quantum expert on his assessment of applicable manhour rates.
- **Application for summary judgment (Luton County Court)** – Appeared for the Defendant contractor to resist the Claimant's application for summary judgment in relation to a dispute concerning building works to two luxury London townhouses.
- **Preliminary issues hearing (Bournemouth and Poole County Court)** – Appeared for the Defendant contractor in a preliminary issues hearing concerning the identity of the contracting parties.
- **CCMC (TCC in Manchester)** – Appeared for the Claimant contractor in a dispute concerning improper installation of a roofing system within a modular housing development. Successfully obtained permission to amend the Particulars of Claim, and consequent directions in the form sought.
- **CCMC and preliminary issues hearing (Reading County Court)** – Appeared for the Defendant developer in a dispute concerning water ingress to a leasehold flat. Successfully obtained partial strike out of the claim on limitation grounds, and consequent directions in the form sought.
- **Application for stay of proceedings (TCC in Birmingham)** – Appeared for the Defendant subcontractor to resist the Claimants' application for a further stay in the context of a claim that had not been significantly progressed for more than 3 years.
- **Final hearing (Coventry County Court)** – Appeared for the Defendant employer and successfully defended against a claim alleging improper termination of a construction contract.

Construction & Engineering

- Advising the Claimant homeowner on the procedural and substantive aspects of a dispute concerning defects to a listed townhouse in Central London (led by Charlie Thompson, ongoing).
- Drafted Particulars of Claim for the Claimant contractor in a dispute concerning delays to the alteration and extension of a sports pavilion in Hampshire.
- Drafted Particulars of Claim for the Claimant employer in relation to design and workmanship defects in the MEP system of a commercial insect breeding facility (led by Thomas Lazur).
- Drafted Defence and Counterclaim for the Defendant homeowner in relation to the defective refurbishment of a luxury apartment in Chelsea.

- Assisted in advising the Defendant contractor on quantum in relation to a dispute concerning repairs to the external cladding of an office building in Singapore (led by Adam Constable KC).
- Drafted Particulars of Claim for the Claimant contractor in relation to damage caused by an explosion on a construction site in Manchester.
- Drafted Particulars of Claim on behalf of the Claimant subcontractor in relation to the design, supply and installation of balcony cradle access systems in relation to the development of a tower block in Central London.
- Advised on potential avenues of recovery following the passage of the Building Safety Act 2022 in relation to fire defects at a high rise development in Portsmouth.
- Drafted Defence on behalf of a groundworks contractor, against whom liability was alleged in respect of subsidence issues to a block of garages in Stanmore.
- Advised on potential liabilities of the Employer's Agent in relation to fire related defects at a high rise development in Lambeth.

Professional Negligence

- Drafted Particulars of Claim against a subcontractor for negligent groundworks which resulted in rotational sinking and damage to neighbouring properties.
- Drafted Particulars of Claim against a contractor in relation to the negligent design and construction of an assisted living development comprising 64 residential units.

International Arbitration

- Prepared witness statements and assisted in general trial preparation for the Defendant engineering firm in relation to a multi-party HKIAC arbitration (c. £100 million) concerning defects to a post tensioned concrete bridge (led by Philip Boulding KC and Justin Mort KC). The claim settled shortly before the hearing.
- Appeared for the Claimant subcontractor in an ADCCAC arbitration (c. £175 million) concerning delays to the construction of an airport in the Middle East (led by Marc Rowlands KC). Drafted written submissions, prepared cross examination notes, and cross examined the Defendant's delay expert on his assessment of various delay windows.
- Appeared for the Claimant subcontractor in an ICC arbitration (c. £15 million) concerning delay and disruption to the construction of a metro system in the Middle East (led by Lucy Garrett KC). Drafted written submissions, prepared cross examination notes, and cross examined the Defendant's quantum expert on his assessment of applicable manhour rates.
- Drafted pleadings and witness statements, and assisted with general trial preparation for the Claimant builder in relation to two related arbitrations concerning the design and construction

of semi-submersible offshore drilling rigs in Singapore (led by Adam Constable KC). The collective value of the claims was over £500 million.

- Assisted the tribunal in an ICC arbitration concerning the termination of two FIDIC construction contracts in relation to the development of hospitals in Ghana.

Adjudication & Adjudication Enforcement

- Advised a subcontractor on the prospects of resisting and/or staying enforcement of an Adjudicator's decision on natural justice grounds.
- Drafted the Responding Party's submissions in relation to an adjudication on the true value of an interim account. Successfully obtained a 95% reduction of the c. £560k payment sought by the Referring Party.
- Drafted the Referring Party's submissions in relation to a dispute against the main contractor concerning the proper construction of a pain/gain provision within a settlement agreement (led by Calum Lamont KC).
- Drafted the Responding Party's submissions in relation to an adjudication on the true value of the final account. Successfully obtained an 85% reduction in the c. £160k payment sought by the Referring Party.
- Drafted the Responding Party's submissions in relation to a 'smash and grab' adjudication brought against them by their building contractor. Successfully argued that the contractor was estopped from relying upon the contractual notice regime.
- Drafted the Responding Party's submissions in relation to a dispute against the main contractor concerning delays to the fitting out of an office building in Central London (led by Jennie Wild).
- Drafted the Referring Party's submissions in a c. £1.7 million adjudication concerning the design and construction of a vaccine manufacturing facility (led by Harry Smith). Successfully obtained a decision in their favour.
- Drafted the Referring Party's submissions in a payment notice adjudication against the main contractor. Successfully obtained a decision ordering payment of the notified sum.
- Advised a mechanical and electrical subcontractor on the prospects of enforcing an Adjudicator's final account decision in their favour. The advice allowed for the parties to reach a settlement prior to the issue of proceedings.

Other information

Education & Professional Career

Professional Career
